adi Consult and G.L.S. Turkey agree to cooperate

G.L.S. Global Logistics Consulting Services in Istanbul/Türkei and adi Consult GmbH, Kelsterbach/Deutschland signed a cooperation agreement effective August 1, 2009.

The G.L.S. organization in Turkey, which is represented by its managing director Wolfgang Wanja, has been established as the specialist for the transport and logistics industry since nearly ten years and is regarded as one of its leaders. The new agreement marks the end of G.L.S.' seven year long cooperation with E. Herzog & Partner, Hamburg.

G.L.S. are not only experts in the area of Executive Search. Mergers & Acquisitions as well as arranging cooperation agreements between companies are a part of the offerings of G.L.S. who maintain contacts to all leading local and international logistics companies in Turkey.

“Entering into a partnership with adi gives us access to the international stage which is exactly what we need” says Wolfgang Wanja, Managing Partner of G.L.S. “We are looking to further strengthen our market position in Turkey via adi’s worldwide network of Transport and Logistics professionals.”

Jochen Smoktun, Managing Partner of adi Consult: Via the agreement with G.L.S. Turkey we are now directly represented in 21 countries. On behalf of our entire network we are very happy to have found such a strong partner in Turkey. Furthermore, G.L.S. will support us in adjacent countries to Turkey as well.

The company has aligned all its activities with the demands of the global transportation markets. Accordingly, Personnel and Management Consulting, Mergers and Acquisitions, SWOT analyses, strategic planning, validating and establishing business plans, advising companies on optimizing or rebuilding their organizational structures, productivity benchmarking and improvements are all part of the adi’s portfolio. Their solutions are realistic and practical and if desired adi will implement them too. The vast industry specific experience accumulated by adi’s management and staff while working in operational and top level positions is a great foundation for their customer’s success.
